# SALE INFORMATION

## HELMSMAN AUCTION SYSTEM

The Bullamakinka Annual Bull Sale will be conducted under the helmsman system in conjunction with Auctions Plus. The sale will commence on Auctions Plus on Mon, 8th Oct and concludes at Bullamakinka on sale day on 12th Oct at approx. 1.00pm.

## ANIMAL HEALTH

Bulls are vaccinated for:  
✓ 3 Day Sickness ✓ 7 in 1  
✓ 3 Germ Blood ✓ Vibrio  
✓ Crush side semen tested and Morphology Tested

## INSPECTION

Bulls will be penned for inspection in the afternoon before the sale. Please contact the vendors or our agents if you wish to arrange an earlier inspection. We will also conduct an open day for inspection of sale bulls on Friday 14th, September at Bullamakinka.

## SCANNING

All sale lots were scanned by Paul Kenny. He independently measures IMF, Scrotal Size, Eye Muscle Area, Rib and Rump Fat.

## SUPPLEMENTARY INFORMATION

Bull weights, ADWG, Scans and Semen Results will be available from Tuesday, the 9th of October and will be posted on our website, [www.bullamakinka.com.au](http://www.bullamakinka.com.au)

## SEMEN TESTING

Sale Bulls will be semen tested by Paul Kenny for Motility and Morphology and certificates are available on request.

## OUTSIDE AGENT REBATE

A 3% rebate will apply to outside agents introducing clients in writing to vendors, Simstock Rural Agencies or Glen Waldron, Elders Meandarra within 24 hours prior to the sale, and settling on their behalf within 10 days of sale. Agents must accompany the client to view bulls prior to or on sale day to claim the rebate.

## FREE FREIGHT

Free freight to local areas and most areas considered

on request so please contact vendors or our agents to discuss free delivery options.

## BREEDING GUARANTEE

The vendors guarantee that bulls purchased on sale day are fertile and guaranteed to get you calves. All our bulls have been assessed and have received a positive semen test and are soundness evaluated. The vendors guarantee, in the unlikely event of infertility, that the buyer contact the vendor within six months of the sale date to arrange a replacement bull/refund or bull credit on your purchase price (without associated costs or damages). Any claim needs to be lodged with a relevant veterinary certificate.

If buyers require the use of an airstrip our neighbours at Wilga Park have a 1000m well maintained gravel strip available. Please contact the vendors if you wish to use the strip.

## DISCLAIMER

The vendor has produced this catalogue with every effort to ensure the accuracy of the information, however will not be responsible for any errors or omissions.

## RISK & RESPONSIBILITY

Any person attending this sale does so at their own risk and the vendors assume no liability, legal or otherwise, for any injury, accident, loss or damage to any person or property. Refer Sale Safety Section.

## SALE SAFETY

All our bulls are selected on good temperament and are quiet to handle under normal conditions. On sale day, many people enter

bull pens for inspections and can place additional pressure on the bulls. This could result in the quietest bull doing something unpredictable and we advise people enter the bull pens at their own risk and only when necessary. No children are to enter the bull pens. We ask that you do not enter inside the pens unnecessarily and if you require an inspection of the bulls please ask a stud representative or the selling agents.

## THE HELMSMAN SYSTEM

- Register with AuctionsPlus at least a day before the sale. Head to [www.auctionsplus.com.au](http://www.auctionsplus.com.au) and click signup. Alternatively, our sale representatives can

register you on the day of the sale at Bullamakinka.

- Bring a tablet or phone on sale day to bid, there will be some provided for people who don't have access to them.
- The AuctionsPlus team will be at the sale to help with anything and to register people that may not be registered.
- Call the office on 02 9262 4222 before the sale if you have any questions about using the bidding platform.

Bidders not wanting to use Tablets/phones to bid will still have the ability to have our sale agents/Auctions Plus Representatives to register bids on their behalf if required.

# BULLAMAKINKA

## INTRODUCTION

The Hindle family extend a warm welcome to all attending our fifth annual bull sale at Bullamakinka, Westmar.

We have adopted the helmsman system as we believe it offers the commercial buyer greater bull buying choice with the bulls being offered simultaneously. The sale will also offer buyers the opportunity to bid on bulls on-line via Auctions Plus if they are unable to attend the sale. Should prospective bidders require, inspections can be arranged prior to sale.

With the major investment in new sires over the last few years we are very pleased with the standard of our sale bulls this year with nearly all our sale bulls being classified (except six) and 2/3rds polled.

The Bullamakinka draft of bulls have been prepared on oats since late May and prior to this prepared on pasture and forage sorghum as the season dictated and are presented in a very fit & healthy condition. Supplementary feeding has been kept to an absolute minimum but due to the poor quality of our oats this season we have had to supplement our bulls over the last six weeks with silage being fed as well.

Many of our sale bulls are sired by our stud's leading sires, Canowindra Gold Edition and home bred sire, Bullamakinka G230(PS), an impressive son of Warena Sentry.

This year will be the last opportunity to acquire a "GE" son as he unfortunately died recently but has had a major impact on our herd and the breed with the numerous sires sold over the years.

In addition, we have sons by Yarrowonga Diplomat(P) purchased for \$34000 in 2014 and has some impressive sons in the sale draft. Diplomat has made a large impact at our stud with his sons selling extremely well last year including M78(P) selling for \$52500 to the Barlow family.

This year will also see the first sons offered by new sires Dangarfield X-Box(P) (\$62500), Rosehill Jameson (PS) (\$45000) and retained sires K476(P) and K84(P) (Gold Edition/Warena Sentry bloodline).

This year's Bullamakinka sale bulls, with the added sire depth, we consider to be of one of our most complete draft of bulls we have offered and have been drafted with the highest growth for age and easy finishing ability on the feed they have had access to.

The sale bulls are morphology & motility tested and must pass both tests to be offered for sale.

The Bullamakinka stud was originally commenced with the grading up of females and the purchase of select stud females from Erin Vale, Kelly Wallah, Moongana, Santa Park, Douglas, Yarrowonga Waco, Rosevale, Marston, Kolodong, Wave Hill,

Warena, Deepbank, Cardona and recently Killarney stud cows.

This season, we will join approximately 700 stud cows & heifers with our leading sires and implementing an AI program to introduce new genetics.

Despite having a good size stud breeder base, we intend to retain and offer a limited number of our bulls at our sale each year which allows us to be harder on bull selection to concentrate on producing high quality sale bulls. We are committed to producing easy doing fertile, soft cattle with good muscle, frame, bone, type with slick tropical coats.

This year, our website [www.bullamakinka.com.au](http://www.bullamakinka.com.au) will be updated with videos and photos in mid-September with the catalogue available online or a hard copy on request.

If you are interested in inspecting our bulls prior to sale you are most welcome. Please contact Craig Hindle on 0427 036 052 or email [chindle@westnet.com.au](mailto:chindle@westnet.com.au).

Please note that these sale bulls will require 3-day/7in1/ vibrio vaccination booster shots and we have detailed the vaccination dates.

We wish you well with your purchases today and remind you that our bulls are fully guaranteed.

Craig Hindle 0427 036 052

# SIRES

## CANOWINDRA GOLD EDITION

Gold Edition has been a magnificent sire for Bullamakinka represented by his seventh season of sale bulls with 6 typical tropical sons on offer. Gold Edition is now deceased and this may well be the last opportunity to secure his genetics.

## BULLAMAKINKA G230(PS)

Bullamakinka G230(P) – One of the best Sentry sons we have bred and is one of our senior sires. His progeny have been of good quality with a number of sale bulls produced to-date.

This year G230(PS) is again well represented with five quality sons. This year's crop is the fourth season of sons produced with bulls selling well over the last three years.

## TYNDALE HUSTLER 562 (P)

Tyndale Hustler (P) – Purchased for the top price at the Heartland sale in 2013, Hustler is used mainly over heifers.

### **YARRAWONGA DIPLOMAT J16 (P)**

Yarrowonga Diplomat(P) – Purchased in 2014 for \$34000, Diplomat has bred very well for us with his first male progeny averaging \$11500 and producing our top price bull, M78(P) for \$52500 selling to the Yarrabee stud.

### **BULLAMAKINKA J94(P)**

A Chapparossa Peter Pan Al son, J94(P) is represented by one sale bull and sire is now deceased.

### **DANGARFIELD X-BOX(P)**

Purchased for a Dangarfield record price of \$62500, X-box was purchased for his extra thickness, pedigree and structural correctness. He is represented by nine sons offered.

# SIRES CONT...

## ROSEHILL JAMESON (PS)

A big tropical bull purchased for \$45000 for his type, bone and Yarrowonga Versatile pedigree and is represented by seven sale lots.

## BULLAMAKINKA K84(P) AND K476(P)

Both bulls were retained as sires in the same year that Bullamakinka Kong(P) was sold to the Dunlop stud for \$30000. Both K476(P) and K84(P) are typical of the Gold Edition/Warenda Sentry bloodlines with ten sale bulls offered collectively. They have grown into big tropical bulls and breeding very well and we plan to use both sires more extensively in the future.

## BULLAMAKINKA J246(P)

Another Gold Edition/Warenda Sentry blood sire that has had limited opportunity but has produced three sale bulls and is now deceased.

# FUTURE SIRES

Bullamakinka has continued to invest heavily in genetics with progeny being available from next year for sires purchased/retained over the last two years.

In 2016 we purchased Waco Flynn for \$55000 and are very impressed with his calves and will be offered next year.

Other investments in sires being Celamba Felcon(P) (Warena Sentry bloodline) \$26000, Dunlop Quentin \$16000, Canowindra Pistol (PS) \$20000 and Yarrowonga M462.

We have also retained an impressive Yarrowonga Diplomat son in Bullamakinka Rimfire

M022(P) and he represents some of our best genetics and we look forward to seeing his first calves this spring.

**Waco Flynn**

**Dunlop Quentin**

**Celamba Felcon(P)**

**Yarrowonga M462(PS)**

**Canowindra Pistol(PS)**
