SALE INFORMATION

Outside Agent Rebate.

A rebate of 4% will be paid to outside agents introducing and accompanying clients to the sale or by prior inspection of the sale bulls. Outside agents introducing clients and not accompanying their clients at the sale will be paid 2% outside agent rebate.

All introductions to be made by the day before the sale in writing to our sale agents or vendor

ADWG

Daily weight gains calculated after allowance of 32kg birth weight.

Delivery:

Instructions should be clearly written out in buyer delivery instructions provided in the back of the catalogue and given to the delivery agent. Please also provide contact name and phone number details. The vendors will have a body truck returning east from Longreach and can offer to deliver sale bulls en-route to Toowoomba subject to available space.

Bull Health

Vaccination dates:
Nov 25 – 7 in 1 booster
Dec/Jan 26 – 3 Day Sickness
Mar/Apr 26 – Vibrio
Feb 26 – 3 Germ Blood

Breeding Guarantee

The vendors guarantee that bulls purchased on sale day are fertile and guaranteed to get you calves. All our bulls have been assessed and have received a positive semen test and are fully guaranteed. The vendors guarantee, in the

unlikely event of infertility, that the buyer contact the vendor within six months of the sale date to arrange a replacement bull/refund or bull credit on your purchase price (with out associated costs or damages). Any claim needs to be lodged with a relevant veterinary certificate.

Sale Bull Preparation.

The Bullamakinka sale bulls were weaned in June 2025 and had access to a oats crop from Sept to November, then the main mob of bulls were grazed on improved pastures until being put on oats and forage barley in June 2026. The sale bulls have received restricted access to low levels of grain supplementation only during periods of shortage of pasture/crops during drier periods and for the month before sale. The sale bulls have been running in two main mobs and will be penned together accordingly.

Sale Safety

Please note it is a safety condition of WQLX (Saleyard Owners) at the Longreach yards that no one is permitted to enter the sale pens unless they are authorised personnel.

Inspection

Sale bulls will be transported to the Longreach saleyards four days prior to sale and penned on the day of sale.

Inspections are welcome prior to the sale at Longreach saleyards or earlier at our bull depot at Pittsworth prior to being transported. A bull walk is to be held at 5 McEwan Lane, Pittsworth on Friday, 21 August, 10am - 3pm

Accommodation

We encourage any intending purchaser that requires accommodation to book accommodation early Refreshments

Refreshments

Refreshments and food will be available at the saleyards on sale day.

Scanning/Semen Tests

All sale lots will be scanned and semen tested. Scans and measurement will include scrotal, EMA, IMF, rib and rump fat. Semen tested for crush-side motility and lab tested for morphology.

Neogen DNA

Most of the sale draft have been tested for the 50K genomics testing with Neogen. The GGP TropBeef 50K delivers informative markers in tropical cattle for genomic prediction, parentage analysis, and the management of important genetic traits and conditions

This DNA test identifies results such as parentage, poll/horn status and myostatin results.

Bulls noted with (PP) are Homozygous Polled animals resulting from Neogen DNA Testing.

WELCOME

Welcome to our fourth annual bull sale being held in Longreach and again we are offering our entire draft of select sale bulls for your consideration. The majority of our bulls over many years have found their way into the central west and western regions with most going to repeat buyers.

We believe the decision to bring our entire draft of bulls out to Longreach each year makes our genetics more accessible for commercial breeders in this area and underlies our emphasis on supplying bulls for the commercial breeder market. Our sale draft this year is a smaller number of 72 bulls on offer with an emphasis on quality not quantity. 2026 year's sale is again well represented by both home-bred Bullamakinka sires and purchased sires with our emphasis on selection of sires to maintain growth, fertility, adequate muscle, bone, softness, trim sheath, breed character and quiet temperament. With the market demand for polled cattle the majority of the sale bulls offered are polled or scurred but we have included a number of horned bulls in the sale to cater for breeders that still require horned bulls. This year's draft is represented by some of our proven Bullamakinka sires including Bullamakinka Rimfire (P) by Yarrowonga Diplomat (P), Bullamakinka Patriot P2 (P) by Waco Flynn and our lead sire, Bullamakinka Queenslander Q80(PP) which is represented with 28 high quality sons in this year's draft and nine of the first 10 bulls offered. The Q80 progeny display the extra growth, type, carcase and length of their sire. A number of sale bulls this year are represented by sires acquired in 2021 being Cardona Ulladulla (P) purchased for equal top price of \$65,000 and Beef calf champion, Diamond H Xane

(PS) purchased for \$55,000, Dunlop Warren (P) purchased for \$60,000 and being a son of the prolific sire, Bullamakinka Kong is also well represented as is first season sire, Dunlop T574(PS) purchased for \$42500. All of our sale bulls this year are crush side semen tested, morphology tested, scanned and fully vaccinated with 3 germ blood, vibrio, 7in1, and 3 day sickness. We plan to hold a bull walk on Friday, 21st August prior to the bulls being trucked to Longreach a week later. Catalogue, bull videos and photos available online at www.bullamakinka.com.au Pre-sale inspections welcome.

Bullamakinka Santa Gertrudis Stud

Bullamakinka stud was formed in 2006 following the acquisition of "Bullamakinka" in the Goondiwindi district and after investment in the purchase of select lines of breeders from leading studs.

Originally when the stud was established, two foundation sires in Warenda Sentry (P) and Canowindra Gold Edition bred extremely well with their genetics forming the base of our current breeder base of approximately 300 breeders being run at Pittsworth.

Bullamakinka has continually invested heavily in sourcing some of the best genetics available every year to introduce outside blood into our herd to assist in maintaining our breeding traits and broaden our genetic base.

Ventura Santa Gertrudis Stud

This year we are pleased to invite the Ventura Santa Gertrudis stud with a small and select mob of bulls at our Bullamakinka sale for the first time.

The stud's genetics are totally based on Bullamakinka genetics and have been breeding stud animals with purebred Bullamakinka cows and sires. These bulls were prepared similarly to the Bullamakinka bulls and have been finished on oats since June this year. These bulls have also received the same vaccinations as the Bullamakinka bulls.

BULLAMAKINKA SIREs

Bullamakinka Queenslander Q80(PP)

Q80 is a very large athletic bull that is producing very consistently with these sale bulls being his fourth crop offered. Q80 is now our leading sire in our stud program and is being used extensively with this year's sons representing nearly half of the bulls offered, such is the consistency of the progeny he produces. Q80 has produced a number of our top bulls sold over the last two years with twenty bulls averaging over \$18000.

Waco Nelson (PS)

Purchased at the Yarrowonga Waco sale in 2019 for \$36000, Nelson is a son of the \$90000 Yarrowonga El Salvador and was purchased for his exceptional growth, carcase, pedigree and temperament. His progeny are very quiet and have plenty of carcase suited to the commercial breeder. Last year the top priced son of Nelson, Bullamakinka Versatile (P) was sold to Brentwood stud for \$40000. This year's bulls are the last of the Nelson bulls to be offered.

Cardona Ulladulla(P)

Purchased in 2021 for the equal top price of \$65000, Ulladulla was purchased for his pedigree, size, solid colour and breed character. Ulladulla sons have sold very well in the last two years sales and he is breeding very consistently with his sons growing into large framed bulls

Diamond H Xane(PS)

Xane was the Santa Gertrudis calf champion at Beef 2021 and we were impressed with his tropical content, thickness, skin, depth and softness. He was purchased for \$55000 in 2021 at Santa Central.

Dunlop Warren(P)

This young sire was purchased in 2022 for \$60000 and is a son of the prolific sire, Bullamakinka Kong that has bred extremely well for the Dunlop stud. Dunlop Warren exhibits a number of the traits we are looking for in a sire and is cherry red with plenty of carcass and breed character.

Bullamakinka Rimfire (P)

Rimfire is a son of one of Yarrawonga Diplomat (P) who was a very successful sire for us. This crop of V calves is Rimfires sixth drop of calves and have sold extremely well producing long tropical cattle with good carcass. Rimfire has produced sons to \$130000 with Bullamakinka Rocky, Bullamakinka Quarantine \$65000, Bullamakinka Ryan \$45000 and retained sire Bullamakinka Q80 who has sons in the sale today. To date, Rimfire has produced over \$750000 in sales of his sons with an average of \$17857.

SIRES CONT...

Bullamakinka Patriot (P)

Patriot was retained being the best son of Waco Flynn, for his tremendous weight for age, temperament, bone, constitution, softness and muscle. Patriot is represented at the sale with a number of sons that carry similar constitution, good muscle, skin and softness. Patriot is one of our lead sires in the Bullamakinka breeding program

Dunlop T574(PS)

Dunlop T574(PS) was purchased in 2023 for \$42500 at the Dunlop bull sale. T574 is a full brother to Dunlop Waverley, a leading sire at Dunlop. He was selected for his temperament, structure, thickness and easy doing ability and being a dark coated bull, he has thrown similar body shape and type with the sons on offer in this catalogue

VENTURA SIRES

Bullamakinka Romeo (P)

Romeo was purchased by Ventura stud in 2021 for \$60000 and has bred very well for Ventura with a number of females retained in stud. Romeo is a large framed bull that has Bullamakinka foundation sires in his pedigree, Warenda Sentry, Canowindra Gold Edition and Yarrawonga diplomat.

Bullamakinka T212(PS)

T212(PS) was purchased at the 2023 Bullamakinka sale at Longreach and is well represented with sons in this year's sale. T212(PS) is a Q80 (Queenslander) son and out of a well performing Glenn Oaks Nashville cow that has also produced U112(P) last year selling for \$35000 at Longreach.

STOCKLIVE

Steps To Register

Using your chosen device visit www.stocklive.com.au

Click **BID** located next to the sale you wish to participate in.

New Users

To create an account click **REGISTER**. Fill in your details, then click **CREATE BIDDER REGISTRATION**.

You will receive an email prompting you to confirm your account, create a password, accept Bidder Account T&C's & Privacy Policy.

Congratulations! Your StockLive account has been created.

Existing Users

LOGIN & find sale you wish to bid on, click **Request to bid** tick the box & click **Confirm Accept Terms**.

On Sale Day

Visit www.stocklive.com.au, when the sale is flashing **LIVE**, click **BID** to watch, listen & purchase.

Invoicing and delivery will be carried out as per your registration & account details by the respective selling agents.
